

# Strange Brewfest 13

## Brewery Registration

Howdy Folks! Well, and we're getting ready to throw another wild party in Port Townsend. We're hoping y'all are interested in bringing yourselves, and your strangest brews to the 13th Annual Strange Brewfest!

This year's event will be held on Friday, January 27th from 5pm-12am and Saturday, January 28th from 1pm-12am. Just as last year, we will NO longer be able to supply volunteer pourers for your booth space. Sorry!!! With this in mind, we would like to encourage you to bring a few extra bodies to help pour your brews. Considering the lack of volunteers, we will be happy to issue a couple more festival passes to your posse, so you are be able to tag out when needed.

We are once again going to be pouring indoors and outdoors. Please come prepared to 'battle' the elements.

We will be holding an award's ceremony late Saturday night for those breweries that captured the imagination, and taste buds, of the Strange Brewfest faithful. Winners will receive the same beautifully, hand-crafted, stained glass medals as in years past.

The awards for the top 3 breweries will be determined by the overall weight of the tokens your brewery has accepted (get there on Friday :). The award for the coveted 'Strangest Brew' will be determined by ballot.

We will once again offer a hospitality tent on site for brewers and brewery representatives. Feel free to take advantage of it! Mt Townsend Creamery is on board for setting us up with plenty of great cheeses. We'll add to that! Any brewskis you'd like to donate for the hospitality tent would be greatly appreciated.

**Please be aware...**Any beers you bring that are priced at **\$195 or more per 1/2 barrel** will require two tokens.

### **The Friday Factor:**

We're aware of how difficult it may be for many of you to participate on Friday due to brew schedules, traffic, ferries, and more. But, we've had such great turnouts on Friday, we're really hoping as many of you can find your way to Port Townsend on Friday as are able.

### **What To Bring:**

We're requesting **each brewery bring 2 different Strange Brews. We'd like to tap a 1/2 bbl of each style on Friday and/or Saturday (depending on when you arrive). Additionally, please bring a minimum of TWO ½ bbls and One ¼ bbl of each style for back-ups (or the equivalent volume should you be bringing alternate sized kegs). The back-ups will be tapped as needed throughout the festival. We will need separate invoices for each back-up tapped.** Upon arrival on Friday/Saturday, you will receive payment with your invoice for your first 2 kegs. If you run out of a style, only tap back-up brews after discussing it with Nina, Mark or Janet **(we must have an invoice and issue payment before any additional kegs are tapped).**

Bring everything you need to pour your beer, advertise your brewery, and encourage festival-goers to soak up your suds!

## **What you get:**
