

## *Your invitation to Strange Brewfest #19*

Greetings Brewers!

We're getting ready to throw another large party in Port Townsend. We're hoping you are interested in bringing yourselves and your strangest brews to the 19th Annual Strange Brewfest!

Our theme centers on Las Vegas, past and present. All the history, gaming, costumes and casino builds over time. The SPHERE! And musicians and acts in residency... just think of the games we can play!

If you're interested in joining us in our nontraditional type festival, please read through our updated details below, as this year some have changed.
